

EVENING MBA

*Hone your ambition.
Advance your career.*

Designed for the working adult, our Evening MBA Program provides an innovative, collaborative workspace driven by Performance Learning and diverse student cohorts. Our courses promote your mastery of business concepts while teaching you to think like an executive.

Millikin's MBA prepares you for success!

Millikin's Evening MBA Program provides a competitive advantage in today's challenging business economy, where competition is fierce and performance is crucial. Learn from our world-class faculty. Collaborate as part of a diverse student cohort. Develop a network of new contacts — all while advancing your career.

The Evening Program Experience

- » Designed for the working professional from all majors, experiences, and industries.
- » Our 17-month, 40-credit program meets in person, with new cohorts beginning every January.
- » Classes average 10-15 students.
- » Students move through fast-paced, eight-week units and courses as a part of the same cohort, from Boot Camp to graduation.
- » The program culminates in an international immersion experience: Students participate in lectures and a case competition as they learn about the host country's economy, finances, global trading, culture and history.
- » Access to state-of-the-art technology.
- » Alumni scholarships available.
