

# CAMPUS MAP

MILLIKIN UNIVERSITY.

# PARKING

## INFORMATION

**Attention All Drivers – Read completely to avoid being ticketed or otherwise sanctioned.**

**Millikin University is not responsible for any damage, theft or loss of any vehicle or its contents while it is parked anywhere on Millikin University property.**

*Millikin student permits shall be affixed to the inside right corner of the front windshield (passenger side).*

### Parking Regulations & Procedures

All motor vehicles operated or parked on Millikin University property by students or University employees must be registered. A motor vehicle is defined as a automobile, truck, van, motor scooter, motorcycle or other wheeled vehicle propelled by a motor. Bicycles are excluded from registration.

A vehicle is properly registered when a current parking decal has been permanently affixed to the inside lower passenger side of the front window or employee hangtag is displayed on the rearview mirror. Vehicles may be registered and decals secured from the Public Safety Office located in Walker Hall. Passes for visitors may be obtained from the Public Safety Office. Overnight visitors must obtain a visitors pass.

- The responsibility for finding a legal parking space rests with the motor vehicle operator. The University cannot guarantee a parking space for each vehicle registered and a lack of space is not considered a valid excuse for parking violations.
- Parking is prohibited where curbs are painted yellow or where "No Parking" signs are posted or painted 24 hours a day, 7 days a week. Certain other areas are also restricted, such as the Arrival Court and spaces reserved for visitors, delivery vehicles, disabled and loading zones. Vehicles illegally parked in these areas will be towed at the owner's expense.
- The Fairview lot (M11) is located at West Main Street and Fairview Avenue. There is no parking between 7:30AM and noon on Sunday as well as no overnight parking from 2AM-5AM Monday through Sunday.
- The Decatur Indoor Sports Center (DISC) lot (M10) is located East of the DISC. Only authorized permits (F&G) may park overnight in the lot.
