### Transfer Guide - updated Fall 2013

Transfer grades of "C" or higher are required in all courses.

Teacher Education requires a life science and a physical science course. One of these courses must have a lab component.

Teacher Education requires a Literature course.

Teacher Education requires two mathematics courses.

The School of Education requires a 2.7 gpa for admission.
The School of Education requires a passing score on the Illinois Basic Skills Test.

Additional requirements may be necessary to complete requirements for ED 170 or ED 172. Consult with your Millikin academic advisor.
