

TABOR SCHOOL OF BUSINESS

Millikin University

Entrepreneurship Minor (22 credits)

Student: _____

Effective Fall 2022

Advisor: _____

Major: _____

The Entrepreneurship minor is for you if you want to own a business, take ownership of projects within an organization, or be a self-employed free agent. As an entrepreneurship minor, students will learn to recognize opportunities, assess risk, and marshal resources. While practicing and mastering their craft in their major, students will experience and perform business ownership and operations in one of Millikin's student-run ventures or their own business.
